**RE: Invitation to Open Events – St Andrew's CE High, Co-Educational School**

Dear parents/carers,

As schools welcome their students back to the classrooms after the summer break, it has been such a pleasure for us to see our pioneering girls fully embraced by our whole community. Our transition to being co-educational from September 2021 has been an exciting and momentous change for our community!

We know that choosing a Secondary School for your child can be difficult, and a choice that is unique to every family. To support you in making a fully informed decision, I would like to formally invite you to visit St Andrew's at our Open Events throughout September and October.

Our official Open Evening is on Wednesday 22<sup>nd</sup> September, with our doors opening at 4.30pm. The school facilities will be open for you and your family to explore, with student led activities in each subject for your child to experience. You will be able to choose between a student led tour, or exploring the site at your own pace. Staff will be on hand to support you and answer questions throughout.

During the evening there will be presentations from me, Ms Mia Lowney, as Headteacher. Please do join us at one of these to hear our core values, our community's vision and how St Andrew's would support your child's academic progress, pastoral needs and enable rich experiences beyond the classroom.

The presentations will be at 4.45pm, 5.45pm and 6.45pm. You can book a space at one of these by [clicking here](#).

We would also like to invite you to join myself or one of my Deputy Headteachers on a small group tour of the school. These are running every morning between 9am and 10am, and every Monday to Thursday 4pm to 5pm. These tours begin on Monday September 13<sup>th</sup>. Spaces are limited, so please do book early to avoid disappointment!
